NARRATIVE

On 06-30-2012 at 1709 hours, dispatch assigned me a sex crime call that occurred last night at the Ridgeway Alpha dorm building, located at 135 Highland Dr. The incident is connected to the Basketball Team Camp, sponsored by WWU, that ran from June 28 to June 30. Some camp participants slept overnight in the Ridgeway dorms.

C-1/ Douglas GALLOWAY, a basketball coach for the camp, phoned me at the station. GALLOWAY had learned that a boy he thought was 16 years old, S-1/ [REDACTED] had put his finger inside the anus of a 13 year old boy, V-1/ [REDACTED] during a hazing incident on 06-29-2012 at about 2300 hours. I later learned that [REDACTED] is 14 years old.

At 1724 hours, I met with GALLOWAY at the Ridgeway dorm complex and identified him via his Washington driver's license. GALLOWAY told me that about 8am this morning he was at breakfast with other campers and he learned that a hazing incident occurred last night involving older boys putting their fingers inside the anuses of younger boys. GALLOWAY learned that [REDACTED] and boys whose first names are [REDACTED] and [REDACTED], were the possible victims.

At 0945 hours, GALLOWAY gathered [REDACTED] and [REDACTED] and spoke to them about what happened. GALLOWAY learned that, on 06-29-2012 at about 2300 hours, [REDACTED] and [REDACTED] were in their room at Alpha 105 and [REDACTED] was visiting with them in the room. Eight older boys, from the varsity and junior varsity teams, stormed into the room and wrestled the three boys down to the ground. [REDACTED] told GALLOWAY that during the wrestling and struggle, he may have been touched on the outside of his butt but that was all. [REDACTED] told GALLOWAY that only wrestling occurred with him and no inappropriate touching occurred. [REDACTED] told GALLOWAY that [REDACTED] put his finger in [REDACTED]'s butt. GALLOWAY had each boy write a statement about what occurred.

GALLOWAY then gathered the eight older boys who stormed the room and spoke to them about what happened. The eight boys admitted to storming the room and hazing the younger boys but no one admitted to putting their fingers in anyone's butt. GALLOWAY had all of the boys write statements for him, including [REDACTED]. GALLOWAY called all of the parents of the involved boys. GALLOWAY called his school's administrative staff and was advised to call Child Protective Services (CPS). CPS advised GALLOWAY to call the UPD and file a report.

CASE NO.

GALLOWAY told me that he had not known of any incidents like this occurring in the past. GALLOWAY said he gives a blanket warning to everyone at the start of every camp about not hazing each other and the expectations for good behavior during the camp. GALLOWAY said that one of the written statements, from [REDACTED] stated that the same thing happened to him at last summer's camp at Seaside, Oregon. [REDACTED] wrote that the varsity players put their fingers in his butt while he was in the shower and nothing ever happened afterward. GALLOWAY told me that he spoke with [REDACTED] and asked him if he had ever reported it. [REDACTED] said no.

The camp ended today and everyone was leaving campus. As I spoke with GALLOWAY, everyone at the camp left the area. GALLOWAY told me that [REDACTED] had already left the camp earlier today with his dad, C-2/ [REDACTED] who was also helping coach at the camp. GALLOWAY gave me [REDACTED]'s cell phone number.

GALLOWAY accompanied me to my station and I made photocopies of the written statements. On each statement, I highlighted each author's name in yellow highlighter pen. For further, see the attached statements.

GALLOWAY directed my attention to [REDACTED]'s statement. [REDACTED] saw that [REDACTED] and [REDACTED] were being hazed and [REDACTED] wasn't yet. [REDACTED] stood by with [REDACTED] in an effort to protect him. The older boys started leaving the room and [REDACTED] relaxed a little. [REDACTED] wrote that [REDACTED] came back into the room and "messed" with [REDACTED]. [REDACTED] tried to pull [REDACTED] off of [REDACTED] but [REDACTED] was stronger than he was. GALLOWAY told me that [REDACTED] and [REDACTED] are both juniors in high school but [REDACTED] is more muscular than [REDACTED]. [REDACTED] left the room and went to another. [REDACTED] wrote that the incident was "messed up and horrible."

GALLOWAY directed my attention to [REDACTED]'s written statement. [REDACTED] wrote that he returned to Alpha from McDonald's and saw a bunch of kids running away. [REDACTED] asked what was going on and someone said they were initiating freshmen. [REDACTED] asked what they were doing and [REDACTED] told him "they stuck two fingers in my butt hole."

I gave GALLOWAY my card with the case number on it. I wrote GALLOWAY a list of the information that I need from him, including the name and identifying information for all involved. I also asked for parent contacts for all involved. GALLOWAY gave me [REDACTED]'s cell phone number. GALLOWAY did not grant disclosure.

At about 1915 hours, I called [REDACTED]'s cell phone and left a voicemail asking him to call me back. At about 2015 hours, [REDACTED] called me back.

[REDACTED] gave me his and [REDACTED]'s identifying information. Eight days ago, [REDACTED] turned 14 years old. [REDACTED] said that he and his wife didn't know much more than what he had heard from GALLOWAY. [REDACTED] and his wife were in the process of speaking with [REDACTED] about what happened. I discussed with [REDACTED] not forcing [REDACTED] to tell what happened and letting him come out with any information he can when it's right for him. I asked [REDACTED] to contact me or any

It is unknown at this time what crime actually occurred. Further information from [REDACTED] and witnesses is needed to determine the crime committed. At this point, I only know limited information on the individuals named in this report who haven't been assigned as witnesses or contacts. NARRATIVE:

On 7/5/2012, I spoke with (C-14) Laurie Alexander, a supervisor for the Whatcom County Division of CPS. Alexander confirmed they received the initial report, Intake # 2636635, she said the report only stated it was forwarded to law enforcement for further review. No other action was taken.

I spoke with (C-2) [REDACTED] the father of (V-1) [REDACTED] [REDACTED] said [REDACTED] has still not told his parents the details about the incident in question.

I asked [REDACTED] if his family would be pressing charges at this time. NARRATIVE: On 8/2/2012, I received a phone call from (C-15) EVOY, Laurence, who goes by Kevin. EVOY is the private investigator hired by the school district to further investigate the incident that occurred on campus. EVOY said he completed his investigation and submitted it to the school district yesterday. EVOY stated he did not take any formal statements from the students involved. He said he set up interviews with the parents and students, but only took notes on the interview. EVOY said when he tried to interview (S-1) [REDACTED], [REDACTED]'s mother told EVOY any further questions needed to be forwarded to their attorney. EVOY said he would speak with his superiors and find out if he is allowed to release the information he collected to UPD.

NARRATIVE: On 08-07-2012 at about 1650 hours, I called C-3/ [REDACTED] and spoke with a male who said he was his father. [REDACTED] father told me he and [REDACTED] will call me back later tonight. At about 1655 hours, I called both phone numbers listed for C-4/ [REDACTED] I left a message with each number for [REDACTED] to call me back. At about 1700 hours, I called C-5/ [REDACTED] and spoke with a male who said his name was [REDACTED] and was [REDACTED]s father. [REDACTED] said he'll have [REDACTED] call me later tonight. At about 1810 hours, I called C-10/ [REDACTED] and spoke with a male who said he was [REDACTED]s father. [REDACTED]s father told me that [REDACTED] and his mother will call me back. At about 1845 hours, [REDACTED] and C-15/ [REDACTED] [REDACTED]s mother, called me at the station. I spoke with [REDACTED] with [REDACTED]s permission and [REDACTED] listened in on our conversation. [REDACTED] explained that when the hazing was happening to the other kids, he went over to V-1/ [REDACTED] and stood in front of him as a human shield. The hazing of the other kids ended and almost everyone left the room. [REDACTED] turned to walk out of the room when S-1/ [REDACTED] "blew right by me." [REDACTED] said that [REDACTED] knocked [REDACTED] onto a bed by pushing him over. [REDACTED] landed on his back. [REDACTED] was wearing a T-shirt and basketball shorts. [REDACTED] squirmed due to [REDACTED]s attempts to physically control [REDACTED] [REDACTED] ended up on the floor on his belly and [REDACTED] speared one of his hands into [REDACTED]s butt crack over [REDACTED]s shorts. [REDACTED] said that [REDACTED] definitely did not get under [REDACTED]s clothing. [REDACTED] did not believe that [REDACTED] was able to enter [REDACTED]s body in any way and [REDACTED] said again that [REDACTED] touched [REDACTED] through [REDACTED] clothing. [REDACTED] did not know which hand [REDACTED] used to spear [REDACTED] in the butt crack. I asked [REDACTED] how long [REDACTED] had his hand in [REDACTED]s butt crack and he said it was pretty quick. I asked [REDACTED] if what [REDACTED] did to [REDACTED] was similar to hazing done in prior years at the camp. [REDACTED] said it was like what has happened in the past. I asked [REDACTED] what was being said by [REDACTED] and [REDACTED] during their contact and he couldn't remember. [REDACTED] said the people who were still in the room were laughing and yelling. [REDACTED] said that [REDACTED] left quickly after that and [REDACTED] was not visibly upset. I asked [REDACTED] if he had anything else to add and he said no. I told [REDACTED] that I would do a follow-up report to this case and I thanked him for his time and for trying to protect [REDACTED] The [REDACTED] and I ended our phone call. Based on my conversation with [REDACTED] I have determined that the crime that occurred is Assault
